Tiendas Sindicales De Construcción is an entity of the CTM, Confederación de Trabajadores Mexicanos which has 20 million Mexican Union Members throughout the country. The CTM is now purchasing construction materials to improve the workplace of its Union Members. For the past 30 years, Tiendas Sindicales has built and operated a superstore chain of 1500 grocery stores in workplace factories called Maquiladoras throughout the Mexican border with the CTM that services 1,500,000 Mexican Union members of the CTM that work in 1500 factories along the Mexican Border.

The Mexican government has a tremendous interest in the welfare of its Mexican Union Members. To guarantee a constant supply of construction and remodeling materials for the Maquiladoras, the government has partnered with the CTM to supply products lacking in their facilities.

Mexican Labor Laws require Maquiladoras to offer its employees a benefit in the form of 20 % of all salaries for products and services. The Union has the obligation and responsibility acquire all supplies needed for construction and remodeling additions of all the Maquiladora factories located along the Mexican Free Trade Zone as a benefit for its 1,500,000 members working in those factories. These maquiladora factories are owned by American fortune 500 companies such as Ford and General Motors as well as Multinational companies like Sony and Toshiba.

Tiendas Sindicales De Construcción has the expertise and knowledge to procure innovative products that may ultimately cost more but have better efficacy and outcome that save money in the future. Through dedicated CTM Union delegate contractors and architects at each Maquiladora, Tiendas Sindicales De Construcción will direct the procurement for the 1500 Maquiladora factories with the required immediate needs.

We invite you to join Tiendas Y Farmacias Sindicales in reaching the goal of allowing all Mexican Union Members to have access to a better and safer work environment for their well-being. I would like the opportunity to schedule a conference call with you to discuss our interest in detail.
